7. Any other perks of working in your program? (e.g. great coffee, the most compelling clients, fun colleagues etc.)

We have a very small office (10 lawyers) and very experienced staff. There will be a lot of interaction with, and supervision from, experienced poverty law practitioners.

8. Is there any other information you would like us to have regarding potential fellowships in your organization?

Our office is only 45 minutes from Midtown. At the same time, village and justice courts, where all the eviction proceedings are brought, are very different from New York City courts. Appearing in local courts poses different challenges and might prove to be an interesting and edifying experience.
