Legal Referral Service

Application for Panel Membership

- > The Legal Referral Service (the “Service” or “LRS”) is sponsored by The New York City Bar Association and the New York County Lawyers’ Association (the “Associations”) under the auspices of the Associations’ Joint Committee on Legal Referral Service (the “Joint Committee”). The Service is operated as a public service and exists primarily for the benefit of the public.

Application Process Overview

The LRS approval process is a serious one. LRS does not automatically accept every applicant even if he or she has been practicing law for many years. This allows us to confidently recommend lawyers to the public. It also makes it more likely that the lawyers we recommend will be retained.

The information from your application will be used to evaluate your suitability for panel membership and will help form the basis of your **interview**. The interview helps us further evaluate your experience and allows for you to meet with some of the LRS team.

Application Procedures

In applying to this referral service, you may select up to **three major areas**, or “**panels**,” of law for which you would like to be considered. These major areas are listed on page 7 of the application. Please do not apply for more than three major categories of law. You will notice that each major panel also includes sub-specialties. For example, the major specialty panel “Family Law” includes sub-specialties such as “custody,” “divorce,” and “guardianship.” There is no limit on how many sub-specialty areas you may apply for within your major panel areas. Please do not apply for any area of law for which you do not hold the requisite experience. The minimum standards for each panel are included in this packet.

Do not include payment of the Annual Listing Fee. You will be billed when you are approved for membership.

If you are NOT applying for the Mediation panels, you do NOT need to complete the following information. Please mail your application to the address listed on page 2. We will contact you upon review of your application.

If you are applying for the Mediation panel, please complete the following section.

*If you are applying to serve on the Panel of Mediators, you must have insurance for your mediation practice.

Application for Mediation Panel Only

Applications for the Legal Referral Service Mediation Panel are only being accepted from lawyers who have actual experience as a mediator. It is not sufficient to have represented parties in mediation proceedings.

Please provide the following information on mediation training you have received. If you cannot locate your specific records in reference to the questions asked, you may give your estimate. The information provided should relate exclusively to mediator training courses; i.e., courses devoted to mediator skills building techniques.

*Please provide the following information on the mediator training programs attended and completed. List your most recent training course first. If you cannot access all the information requested, provide as much as possible to the best of your recollection.

1. Training

Date	Location	Sponsor	Program Title & Description	Hours	%Role Play

Please check the following boxes if you been a faculty member on any mediator training courses.

- Served as a lecturer.
- Served as an observer/evaluator of role play participants.

2. Affiliations or Certifications

Provide the following information on your mediator affiliations and certifications. Please proceed to the next section if you have no such affiliations or certifications.

- I am an eligible, or certified, mediator with the following dispute resolution organizations:

- I am, or have served as an officer, committee chair, or committee member of the following bar association mediation sections or committees:

- I have served as a mediator in conjunction with the following court or administrative agency sponsored programs:

3. Mediation Case Experience

Provide the following information on your mediator caseload. If you have not served as a mediator, please proceed to the next section.

Settlement Rates

I have received approximately _____ case assignments/selections as a mediator.

Approximately _____ of those cases involved actual mediation hearing sessions, whether in person or by phone.

I estimate that my settlement rate on those cases that involved hearing sessions is:

Commercial/Business	_____%	Consumer Disputes	_____%
Insurance/Tort Claims	_____%	Neighbor Disputes	_____%
Labor/Employment	_____%	Securities, Commodities, Futures	_____%
Divorce/Family	_____%	Other	_____%
Real Estate	_____%		

4. Style

Please describe your mediation style to the extent such description would be helpful to the parties in choosing a mediator.

You may wish to incorporate this explanation into the mediation narrative in the section immediately following.

5. Business Background

Please attach a brief (100 words or less) descriptive paragraph about your business or professional background. You may provide a mediation narrative that will be provided to parties to use in making selection decisions.

Please provide below any other information you feel should be added to your profile concerning your mediator qualifications or experience. Include experience which you believe qualifies you to serve as a neutral.

6. Letters of Reference

Please attach two letters of reference from parties or their representative(s), and/or from court or dispute resolution forums who have used your services as a mediator in the past. References should be based on actual experience as a mediator and successful settlement of issues through mediation. Each letter should briefly identify the general issue or issues in dispute and specifically address your mediator skills and facility in resolving the dispute.

Qualifying references may include:

- A. Party evaluation forms from a mediation program describing the mediator's performance in a mediation session.
- B. An indication from a party or counsel that they were satisfied with the mediator's performance in a mediation case.
- C. Reference from a judge, court administrator or appropriate staff person with a public or private dispute resolution organization who can affirmatively commend the applicant's good service on their mediator panel. (This should be more than the simple confirmation of fact that a person is a member of a particular panel).

- D. Letter from a recognized training organization that has observed the applicant complete one of their multi-day, active role play sessions and can attest to their performance in training.

The rationale for insisting on references is that it requires experience as a mediator. We will be able to assure the program's users that all our mediators have at least some mediation experience. In this beginning stage of our program, that assurance will go a long way toward building confidence in our neutrals and ensuring that initial impressions will be positive ones. Please list below the names, addresses and organizations of your references. (You may attach additional references).

1. Name _____
Firm or Organization _____
Address _____
Phone _____

2. Name _____
Firm or Organization _____
Address _____
Phone _____

7. Attorney Specialization

Please list any law specialties in which you are especially knowledgeable.

8. Please list any legal specialties for which you would not want to be a mediator.

9. Will you mediate disputes in which neither party is represented by a lawyer?

(Check "yes" or "no").

Yes _____ No _____

10. If there are any written materials that provide to the parties prior to mediations, please attach a copy of such materials to this application.
